Our Growing Vision:
DesignShare is a mission-driven site where you can network with key industry leaders, disperse original research, locate education related information in an extensive archive bank and learn who’s who in the Educational Facilities Design World. It is the premier web site for K-12 and university design information. Sponsorships allow DesignShare to continue its history of providing high quality programming, such as an e-newsletter, Design Awards program, global school profiles and case studies. Our e-newsletter reaches key decision makers in educational facility planning around the world.

Compelling Numbers:
DesignShare.com welcomes 1,000,000+ Visitors per year
Our e-newsletter has over 9,000 subscribers

Global Recognition:
Since 1998, DesignShare has been recognized as the Industry’s #1 source for cutting edge information and case studies. DesignShare is the place to be if you are an education architect, planner, manufacturer or other industry partner.

Quality Engagement:
Because DesignShare followers are all members of the educational design community, your name and capabilities can appear in front of a highly qualified audience.
Marketing doesn’t get easier than this!
